

Garden Cart Dimensions:

Here are some of the critical measurements:

The total length of the cart, including the handle, is 69"

The total width of the cart, which means the distance from the end of the tire axle on one side to the end of the tire axle on the other side, is around 43-3/4"

The height of the cart from ground to the top of the plywood side is 28-3/4"

The inside-the-box height of the sides is 11-3/8"

The inside width of the plywood box (between both sides) is 33"

The length of the bottom of the cart, inside the box, is 48"

The length of the cart side panels is 43"

The clearance under the cart is 12-3/4"
