

A SACRIFICE OF LOVE

Chorus:

D **G** **A**
There was no stopping place, No limit and no end.
D **G** **A**
He did it willingly To save us from our sins.
D **G** **A**
There was no stopping place, when He became our friend
Bm **A** **G** **A** **D**
His love was manifest in Spirit and flesh, He was a sacrifice of love.

G **A** **G** **D**
Jesus didn't go half way to the cross,
G **A** **D** **G**
There wasn't any "almost," He knew the cost.
D **Em** **A** **G**
He went all the way, to give His life to die.
D **Em** **A**
He went all the way to give for you and I!

Chorus again:

G **A** **G** **D**
He never will forsake us, we are His own;
G **A** **G** **D**
And if we bear our cross for Him, we'll wear a crown.
D **Em** **A** **G**
Our battles can give birth to victory.
D **Em** **A**
When we say, "The love of Christ constraineth me?"
