C **Am** **Dm** **G**
While traveling my country, many things I have seen.

No one is seeking to love their neighbor,

For the harvest is plenteous
Gsus4 G **C** **Am**
But the laborers, they are few ,
Dm G **C** **Am - Dm - G**
Oh, oh, they're so few.

I went to a mountain, and I stood on it high.
C **Am** **Dm** **G**
His Words came to me, and I began to cry.
C **Am** **Dm** **G**
He showed me what was to befall this nation,
F **G** **C** **Am**
And my heart broke for a lost generation,

Chorus

D **Bm** **Em** **A**
Now I have a mission in my heart to fulfill:
D **Bm** **Em** **A**
Forsaking my life to do God's will;
D **Bm** **Em** **A**
Taking my cross and bearing it daily,
G **A** **D** **Bm**
Sharing the love that He gave me freely,

Chorus
