

# When I Say That I Love Jesus

Intro: C - Am - F - C

## Verse One:

When I C say that I love Am Jesus,  
Do F I really C know Him?  
He's a G Shepherd weeping F bitter C ly,  
Still G weeping for His C children.  
Is the C servant above his Am Master?  
Is F Jesus real in C me?  
He F was a Man of C sorrows.  
Do G I weep sincere F ly? C C7

## Chorus:

For when He F saw the multitudes,  
He was C moved with com G passion C on them,  
As they F fainted and were scattered abroad,  
As C sheep having no G shepherd.  
Do I C seek His face, re Am deemed by grace?  
Or just F secluded in my C blessing?  
As I C seek my own, lost Am children roam,  
And F Jesus G goes on C weeping.

## Verse Two:

They that C sow in tears shall Am reap in joy.  
He F tells me I am C able!  
“If a G man forsakes not F all he C has,  
He G cannot be My dis C ciple”.  
“Say C not there’s four months then Am comes the time,  
For F now white fields are C ready”.  
“He that G takes not his F cross to C follow daily,  
G Is not worthy F of Me”. C C7

[Repeat Verse 1 and Chorus]

While I C seek my own, lost Am children roam,  
And F Jesus G goes on C weeping.
