

Quality Woodenware

A Dadant Manufacturing Specialty

Hive Bodies and Honey Supers

Ponderosa Pine Wood Products

Our woodenware is manufactured from hand selected ponderosa pine. Each board has been carefully moisture-metered to assure its proper moisture content before it is precision milled into the finished product. All our supers have "pre-drilled" holes for nails to prevent splitting during assembly.

Features

Handholds tapered cut for easy gripping

Moisture Metering before cutting to prevent warping

Uniform Interlocking Joints to prevent cracking

Predrilled Nail Holes to prevent splitting

Interlocking Joints for superior strength

Ponderosa Pine from the Northwest

Uniform Frame Rests provides the proper "Bee Space"

Dadant Quality Frames

2 Frame Styles

Dadant Frame Construction

18% more wood in the end bars (full 3/8 inch thickness). Grooved bottom bar stronger and easier to use. Note: Unless otherwise specified frames will be shipped with grooved bottom bars. Solid and Slotted Bottom Bars are available in 100 or more quantity. Please specify bottom bar desired when ordering

Wedge Top Bar

1. Wood wedge is removed from frame.
2. Foundation is placed in frame.
3. Wood wedge is held firmly against foundation and nailed or stapled in place

Grooved Top Bar

Foundation is placed in bottom-bar groove and top-bar groove. This frame works best with a rigid foundation such as Duragilt or Plasticell.
