

Songs Those Christians Sang

Intro: **D - G - D - A**

I've been **D** stranded **G** way out in the **D** desert
I've been caught **E** out in a driving **A** rain
And I've felt **D** joy **G** and happiness past **D** feeling
And I've felt hurt **A** much **G** more than **D** pain
D Well, I've seen **G** oh, so many **D** places,
And I've learned **E** so many **A** things,
But I **D** feel **G** like I know **D** nothing
When I hear the songs **A** that those Christians **D** sang

Oh, they **D** fed **G** them to the **D** lions
And they seemed weak **E** er than they were **A** strong
And we **D** may **G** so soon forget the **D** singers
But we should never **A** for **G** get their **D** song
D Well, they sang songs **G** about their **D** Savior
They told **D** stories **E** of how He lived and **A** died
And it **D** seems **G** like each time they **D** sang it
They were standing **D** there **A** when He was **D** crucified

Chorus:

Now can't you hear 'em singing? Glo **G** ry
Halle **D** lujah [hallelujah] Hallelujah **E** to their Lord and **A** King
Try and listen to 'em! **D** Oh **G** [oh] Halle **D** lujah [hallelujah]
Oh, the songs **A** that those **G** Christians **D** sang

Key Change: **B -**

When our **E** King **A** comes in His great **E** glory
With the army **F#** that He said He'd **B** bring
And the **E** an **A** gels start blowing **E** trumpets
We'll hear the song **B** of the **A** King of **E** Kings
We'll be **E** mar **A** ching into **E** battle
To put an end **F#** to these present **B** tears
And the **E** song **A** that we'll be **E** singing
Will be heard **B** for a **A** thousand **E** years

Chorus:

[Repeat Chorus Three times]

Now can't you hear 'em singing? Glo **A** ry
Halle **E** lujah [hallelujah] Hallelujah **F#** to their Lord and **B** king
Try and listen to 'em! **E** Oh **A** [oh] Halle **E** lujah [hallelujah]
Oh, the songs **B** those **A** Christians **E** sang
