

The Unusual Pear

The Unusual Pear weaving looms are simplistic, lightweight, durable and incredibly easy to use! They are suitable for all ages and are perfect for beginners.

The small is the perfect size to finish a weaving in 1-2 hours. You'll often find one of these looms tucked in my handbag for those times I'm stuck in a queue, traffic, or just to whip out and weave wherever I want to! This size is also great for the kiddies to have a go.
