WIZARD

The Wizard is pacing.

ABROCADABRO

Why is she making me wait so long?

Because you are not supposed to come an hour before your date! And because you still have a lot to learn.

WIZARD

I know I do. We all learn every day. Learning never stops. Hey that's a good topic for this, the last lesson of our series. Learning to learn. Thank you Abrocadabro.

ABROCADABRO

Your welcome.

WIZARD

(to camera) In today's lesson you will learn how to learn.

ABROCADABRO

Explain, please.

WIZARD

Learning how to learn means knowing how to get the information or skills you want or need. It's knowing who to ask for information and knowing where to go.

ABROCADABRO

Wow. Interesting. We will also learn about how verbs change in the past tense. For regular verbs like "work" you add "E-D" to the end. For example, Yesterday I "worked" all day.

But some verbs are irregular. You don't add "E-D". You do something else. For example the verb "eat." the past tense isn't "eated" it's "ate." Yesterday I ATE a big dinner.

WIZARD

That's right!

ABROCADABRO

Very good. Now let's get back to the story. Pay close attention.

CONRAD'S WAREHOUSE

CONRAD Welcome, gentlemen!
TONY Come on, let's do this.
CONRAD What's the rush? Would you like something to drink?
TONY Just show us the papers.

The goon puts the papers on the table. Conrad hands Tony a pen.
CONRAD All right. If you insist. Give them the papers.
Tony is about to sign when Bill notices the tattoo on Conrad's associate. And stops Tony.
TONY Where do I sign?
BILL Wait.
TONY Huh?
BILL Don't sign.
TONY Why?
BILL Trust me
CONRAD *(impatient)* What's the problem? I thought you wanted this.
TONY No problem.
BILL *(pleading)* Please Tony.
TONY We changed our minds. We're not selling the shop. Let's go, Uncle.
CONRAD You will regret this.

Tony and Bill get up and leave. Conrad is furious.

PARKING LOT

TONY Will you please tell me what's going on?
BILL They did it.
TONY Did what?
BILL They broke into our shop.
TONY How do you know?
BILL The guy at his office had a tattoo on his hand, like in the picture. Let's call the detective.
TONY Are you sure?
BILL Yes, I'm sure.
TONY But what about the money? We need the money?
BILL Don't worry about me. I'll be OK. Let's get them.

CONRAD'S OFFICE

Conrad is pacing up and down. His goons are with him. He is REALLY mad.
CONRAD Rats! He almost signed the papers!
GOON 1 Tony wanted to sign the papers, Boss.
CONRAD Don't worry. They will sign. I don't care what I have to do. That shop is mine.

SANDWICH SHOP

Tony, Bill, Tipsuree, Eva, Dr. Pacheco and the detective are talking.

**DETECTIVE
BILL**

So how do you know this guy Conrad is behind the robbery?
The snake tattoo we saw in the surveillance picture belongs to his partner. I saw it on his wrist.

DETECTIVE

That's not really enough.

EVA

But I think there's a lot more to the story, Detective. Tell them, honey.

DR. PACHECO

Well, it seems Mr. Conrad found out this area is going to be developed by a major company. They want to turn this into a huge medical facility.

TIPSUREE

Oh, so how would that help out Conrad?

DR. PACHECO

This company has to buy all the property in the area before they can start their project.

TONY

So Conrad buys it cheap and then sell it to the company for a lot more.

EVA

Oh, yeah. I mean, those deals are worth millions.

TIPSUREE

Is that enough proof, detective?

DETECTIVE

It sure is.

TONY

I know they will be back. I'm going to upgrade our security system with better cameras.

EVA

(she knows the plan) Yes, can't you hook them up to one of those police vans? You'll be able to see everything that happens.

TIPSUREE

...and as soon as the robbers come

BILL

You catch them..

DETECTIVE

Wait a minute. You guys are asking me to hook up a special police surveillance right near your shop? With all due respect, but, um, I think you've been watching too many movies.

DR. PACHECO

Come on, Detective. If you catch this criminal in the act, your department will look very good.

DETECTIVE

You're not even sure when they will be back.

TONY

Oh, they will be back. I know it.

EVA

Do it for the community.

DETECTIVE

Okay, Tony. You take care of the surveillance. And I'll see about hooking it up to one of the vans.

TONY

Yeah.

DETECTIVE

You do know about cameras, right?

TONY

Yes, I do.

DETECTIVE

Let's do it.

Everyone is excited about the plan.

(looks at Tips first) Please, just fill my order.

Learning to Learn

Learning to learn can open many doors to success. One of the most important skills a person can acquire is the ability to learn. That is, knowing how and where to get the information or training necessary to achieve specific goals. Some people believe that learning stops as soon as you finish school or that learning can only happen in a school environment. Or, worse yet, some people believe that learning cannot take place once you have reached a certain age. These are the people who often say, "I'm too old to learn." Here are some tips to remember about learning. Use them to improve your life:

- Learning never stops.
 - One of the most valuable skills for a person is his/her ability to learn.
